Buckeye DockDogs Jett + Ken

***Join us for jumping, flying, and splashing fun on Saturday, September 26!***

Cross Creek Farm Canine Water Sports and Buckeye DockDogs are presenting an afternoon when you can introduce your water-loving pooch to dock jumping, one of the fastest growing sports in the dog world. Buckeye DockDogs club members will demonstrate how to get started and share tips and techniques for success, and then you and your dog can get wet during the *Let's Try DockDogs!* session. Cross Creek Farm Canine Water Sports offers a full size competition dock equipped to teach distance, speed, and height; all situated on a 2-acre pond.
