Think your Chihuahua is a champ? Certain your Shepherd can shine? Then [Dock Dogs](#) is for you – and your favorite four-legged friend.

One of the coolest events around, Dock Dogs is an exciting canine sport that first gained popularity on the Outdoor Channel. The competition at [Discovery Green](#) will allow pooches who are at least six months old, regardless of breed or size, to compete starting Friday, June 27 through Sunday, June 29.

The goal of the competition is remarkably simple. The animals run off a dock and jump into a pool to chase after a toy. The object is to see how far and/or how high your dog can jump.

If you want Spot to have a go at it, just be at Discovery Green by 9 a.m. on Friday or 8 a.m. on Saturday or Sunday and register. Remember to bring plenty of snacks and sunscreen. The competition runs all day long, but there's plenty to enjoy at the park.
